Open form

- It was brought to Jessica's attention and June 11 that someone that was supposed to speak could not speak at last minute got somebody else to speak and the person that spoke never did anyway n.a 12 steps does not know the any 12 concepts or traditions does not have an any sponsor does not attend any meetings all coordinators need to make sure that all their Panel leaders have the dues and don'ts and anytime anyone comes in to speak is to read the dues and downs before they start speaking. Thank you to the coordinator for calling me and letting me know as soon as possible after this happened.
