

Treasure Coast Area NA Public Relations

Date 6/24/2019

Krystal
Area Secretary

We have not met in last 2 months due to no one showing up for meeting. Luis Garcia is a retired firefighter in West Palm Beach that goes around the country giving away Narcan. In Okeechobee we had 4 overdoses in one night and he called me and asked if NA was willing to do a 5 to 10 minute presentation during his 2 hour Narcan class and I said yes on behalf of PR. So we are working together to schedule times and locations in all 4 counties in the Treasure Coast for August 29th. He informed me that he has worked with NA in another Area doing this same thing and it worked out well. I don't feel that I have broken any Traditions by taking on this task or speaking on behalf of NA. PR will also be doing a presentation on August 18th during the Seeking Solutions Family Fun Day at Douglas Rope Swing. That flyer has been posted already with address and it starts at 9am. You will be driving onto private property for this event please follow the signs not GPS! PR is desperately needing support during these presentations! We will be needing a PR Vice Chair in October, Jim G. will be stepping down. PR will be getting involved with Policy to see what we can do to help in any way. Our next meeting will be on July 22 nd at 260 S. W. Prima Vista Blvd. in PSL right after Tuesday Tune Up at 8pm.

In Loving Service,

Casey R.

PR Chair
